Dear Michael,

Re: 26 Willcott Way W3

This is to thank you for the professional way in which you dealt with the electrical safety problems at the above address. Despite the fact that one of the occupants was uncooperative and the other tenants did not speak English, you did not let that fluster you.

Colin Bibra & Co had been asked to take over the management of this particular property but we were concerned that the electrics were un-safe. Once you had completed your work, issued the relevant documentation we were re-assured and have now taken over the management of the property. We would have no hesitation in recommending you to our clients.
